

Are you prepared for flooding?

This instruction leaflet contains information to help you prepare for a flood.

There is nothing the matter yet

Is there something i can do to prepare beforehand:

- Make sure you have a battery-powered radio
- Put a sticker on your radio with your regional emergency station RTV NH Radio, frequency 88.7 FM, on it
- Prepare an emergency pack

What else can i do?

- Know where to go to if you have to leave the area
- Prepare the valuable possessions you want to take with you

What can i do when flooding is imminent?

You will have been receiving warnings of possible flooding through television, radio and newspapers. In this period the authorities will keep you informed and they will let you know if and when the situation has become so serious that you will have to leave your home (by way of precaution).

What should i do?

- Turn off your gas and electricity supplies
- Help others as much as possible
- Prepare an evacuation kit (to take with you)
- Store valuable possessions in a dry place, if there is time for it

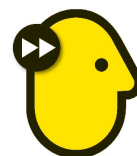

Checklist emergency pack

- Bottled (drinking) water and food for a few days (also for pets)
- Torch and radio with batteries
- Spare batteries
- Waterproof and warm clothing
- Blankets
- Medication
- Photocopies of important documents such as identity cards, insurance documents and a list of valuable possessions
- Lighters, matches in waterproof wrapping and candles
- Cash
- Tool box
- Mobile phone and charger for your mobile phone
- Home and car keys

Tip: Keep this instruction leaflet in your meter cupboard!

This instruction leaflet is a publication of your municipality in conjunction with Veiligheidsregio Gooi en Vechtstreek. It is also available in Dutch and Arabic. Please check the website of your municipality for further information.
